This day and age we're living in  
Gives cause for apprehension  
With speed and new invention  
And things like third dimension

Though we get a trifle weary  
Of Mister Einstein's theory  
Oh, we must get down to Earth at times  
Relax, relieve the tension

No matter what the progress  
Or what may yet be proved  
The simple facts of life are such  
They cannot be removed

You must remember this  
A kiss is still a kiss  
A sigh is just a sigh  
The fundamental things apply  
As time goes by

And when two lovers woo  
They still say 'I love you, '  
On that you can rely  
No matter what the future brings  
As time goes by

Moonlight and love songs  
Never out of date  
Hearts full of passion  
Jealousy and hate  
Woman needs man, and man must have his mate  
That no one can deny

It's still the same old story  
A fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by

Moonlight and love songs  
Never out of date

Hearts full of passion  
Woman needs man and man must have his mate  
That no one can deny

It's still the same old story  
A fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by
