Walking on eggshells, afraid of what I'll say  
I have to be careful or you might run away  
Now I saw it in your eyes just then  
It's not just in my mind  
But if looks could make commitments  
Then you'd tell me you were blind  
Look, I don't want to have your baby  
I don't want to be your wife  
I don't want your tips on how to run my life  
I just want to tell you how I feel tonight  
Oh, I don't want to hide my feelings inside about you  
Casual love is all I'm thinking of  
I could probably live my life without you  
Casual love  
You're telling me a story, it's as if the volume's down  
I watch your mouth, it's moving but I don't hear a sound  
Except this beating in my chest, this buzzing beneath  
my skin  
If I had to take a guess I'd say it's love I'm falling in  
Oh I don't want to hide my feelings inside about you  
Casual love is all I'm thinking of  
I don't have to build my life around you  
Yeah it's casual love, that's all I'm thinking of  
He loves, he loves me not, he'll never tell  
I never say I love you tho' the words play thru my head  
I get the feeling that you'd rather I just showed you  
then instead  
O.K. you don't want to have a baby  
So you're not looking for wife  
I know what you're thinking it's the story of my life  
Oh I don't want to hide my feelings inside about you?
