Baby oh baby tell the man at the ticket stand that
you've changed your mind
Let me run on out and tell the cab to keep his meter
flyin'
Cause if you say goodbye to me babe you're gonna
break my mind
Break my mind break my mind
You know I just can't stand to hear them big jet engines
whine
Break my mind break my mind oh Lord
Cause if you leave you're gonna leave a babblin' fool
behind

Baby oh baby let me take your suitcases off of the
scales in time
Tell the man that you've suddenly developed a thing
about flyin'
Cause if you say goodbye to me babe you're gonna
break my mind
Break my mind break my mind...
If you'll say goodbye to me babe you're gonna break
my mind break my mind
