Oh the games people now every night and every day
now
Never meanin' what they say now and never sayin'
what they mean
While they wile away the hours in their ivory towers
Until they're covered up with flowers in the back of a
black limousine
Lotten da da da da lotten da da a dee da dee
Yes we're talkin' bout you and me and the games
people play

Make one another cry break a heart then we say
goodbye
Cross our hearts and we hope to die that the other
one's to blame
But neither one will ever give in so we gaze at an eight
by ten
Thinkin' bout the things that might have been and it's a
dirty rotten shame
Lotten da da da da...

Your friends're walkin' up to ya singing glory hallelujah
As they're tryin' to sock it to ya in the name of the Lord
They're gonna teach you how to meditate read your
horoscope and cheat your fate
And furthermore to hell with hate come on and get on
board
Lotten da da da da...

Look around and tell me what you see what's happened
to you and me
God grand me the serenity to just remember who I am
Cause we've given up our sanity for our kind and our
vanity
Turn our back on humanity and we don't give a lot
Lotten da da da da...
Yes we're talkin' bout you and me and the games
people play
