I cried at Laura's wedding  
I cried but I don't know why  
I should have been happy  
'Cause Laura was happy  
But I felt so bad  
I wanted to die

I cried at Laura's wedding  
My tears were flowing like wine  
It should have been me there  
Instead of she there  
The boy she had married  
Should have been mine

Laura came to me  
And quietly embraced me  
She made sure that I'd catch  
The bride's bouquet

I wondered how she had  
The nerve to even face me  
After taking  
After taking him away

I cried at Laura's wedding  
I cried but I don't know why  
I cried when he kissed her  
My younger sister  
But then weddings  
Always makes me cry
