He just caught the Jamestown Ferry it's not a hot day in  
January  
Like he said it'd be if he ever left me  
A case of gone was all he carried as he got on the  
Jamestown Ferry  
And he said that gone was all he'd ever need

I din't think that he'd leave me after seein' how much  
he needs me  
But the fact still remains I'm sittin' here all alone  
Missin' a lovin' of my baby Lord it's bout to drive me  
crazy  
He was the sweetest piece of heaven I've ever known  
He just caught the Jamestown Ferry...

As I walk through his kingdom of honky tonks and bars  
I remember how he'd hold me and comfort me with talk  
He didn't cuss with every breath he had a soothing  
Southern Drawl  
Made me feel like a lady through it all  
He just caught the Jamestown Ferry...  
He just caught the Jamestown Ferry...
