Not too long ago you said to me I believe it's time you
set me free
Cause I found a woman who knows how to love me
right
And she don't mind if I lay out all night
And you said hallelujah this woman sure gets to ya
I fin'lly found peace of mind
A singing hallelujah you don't know what good it'll do
ya
Playin' around with love'll do it everytime
[guitar]
But then one day she felt like movin' on one goodbye
and you were all alone
And it's funny but I could almost hear the sound
When your whole world came tumblin' to the ground
And I said hallelujah that woman socked it to ya
Just walked away and blew your mind
A singing hallelujah you've got what's comin' ya
Playin' around with love'll do it everytime

But it seems that I'm not too satisfied
With the brand new love that's walking by my side
Cause already there's an old love on my mind
Playin' around with love'll do it everytime
