(Tommy Brasfield - Walt Aldridge)

How many days how many ways
Do I have to lose you till you're gone

How many nights how many lonely nights
Do I have to lose you till you're gone

It happens everytime I think I'm getting over you
Something 'bout somebody new gets me thinking
about you

How many times how many times
Do I have to lose you till you're gone
Do I have to lose you till you're gone

I see you on the late show I hear you on the radio
Darling everywhere I go your memory is there

How many times how many times
Do I have to lose you till you're gone
Do I have to lose you till you're gone
