Private party
[Foreign Content]

Tonight I'm feelin' free
I wantcha near me
In ambitions in the wind

Erotic thoughts arouse me
Its so enticing
I cant wait for us to begin

Wear something sexy for you
I'm feeling hot and tempting for you to see me
Wrap your hands up 'round my body
Welcome to my private party

Only for you this evening
This is special, believe me
Belly dancing, so watch me
Welcome to my private party

I know just how you like it
I will provide it
At this party anything goes

Let your thoughts explore the deepest
Fantasies your feelin'
I got a lot of things to show

Are you ready?

Wear something sexy for you
I'm feeling hot and tempting for you to see me
Wrap your hands up 'round my body
Welcome to my private party
(Yeah, yeah)

Only for you this evening
(Only for you)
This is special, believe me
(If you want me to be)
Belly dancing, so watch me

(Tonight)
Welcome to my private party

It's exclusive baby
(Baby)
Just me and my baby
(Baby)
Its getting so crazy
My private party

It's exclusive baby
Just me and my baby
(All night long, aah yeah)
Its getting so crazy
My private party

Wear something sexy for you
I'm feeling hot and tempting for you to see me
Wrap your hands up 'round my body
Welcome to my private party

Only for you this evening
This is special, believe me
Belly dancing, so watch me
Welcome to my private party

Sexy for you
I'm feeling hot and tempting for you to see me
Wrap your hands up 'round my body
Welcome to my private party

Home before you this evening
This is special, believe me
Belly dancing, so watch me
Welcome to my private party
