Babel Fish - Blah Blah Blah

Don't believe in the ja ja ja
Don't believe in the
blah blah blah
Don't believe in the games they play
Don't believe and you'll be ok
Don't believe in the promises
Don't believe in the obvious
Don't believe in a tender fall
Don't you know you're expendable
Don't believe them
Don't you trust them
Don't you join them
Don't become them
Don't believe in the ja
ja ja Don't believe in the blah blah blah
Don't believe in the games they play
Don't believe and you'll be ok
Don't believe in
their crystal ball
Don't believe in their manual
Don't believe in the politics
Don't believe in
the legal tricks
Don't believe them
Don't you trust them
Don't you join them
Don't become them
Don't believe in the ja ja ja
Don't believe in the blah blah blah
Don't believe in the games they play
Don't believe and you'll be ok
Don't believe that you can't say no
Don't believe that you can't let go
Don't believe that they're all you've got
Don't become someone you are not
Don't believe them
Don't become them
