When she walks by, the men fall, stand and pose
When she winks an eye, the bread slice turns to toast
And she's got a lot of what they call the most
The girl can't help it, she was born to please
And she got a bigger man to squeeze
Won't you kindly be aware, the girl can't help it
She mesmerizes every mother's son
And if she's fine, [the bee] says job well done
She made grandpa feel like 21
The girl can't help it, she was born to please
And if I go to her on bended knees
Won't you kindly be aware, the I can't help it
Because I'm hoping obviously
That someday, the answer will be
The girl can't help it cuz she's in love with me
WAHHHHHH!!!

When she walks by, the men fall, stand and grow
When she winks an eye, the bread slice turns to toast
And she's got a lot of what they call the most
The girl can't help it, she was born to please
And she got a bigger man to squeeze
Won't you kindly be aware, the girl can't help it
Because I'm hoping obviously
That some day, the answer will be
The girl can't help it cuz she's in love with me
