Tic-Tac

Before you say Gesundheit

You'll have a flashback

That's a big crack

And honey, it seems we've walked

In circles for eternity

It's tricky to be happy

And time is being quite unkind

And roughly in my prime

It leaves me left behind

Tic-Tac

Watch the watch move faster

While you break your back

You can't keep track

And Honey, we're wasting half our lives

In front of the TV

You'd better hold me, please hold me

'Cause time is being quite unkind...

Afraid I won't pass the test of time

Tic-Tac

I'm not hungry you can have

The last Big Mac

I need a new snack

And maybe the dinosaur got older

Than we'll ever be

So save me, please hurry

'Cause time is being quite unkind...
