Azura: We've got a saying here my dear,
A rainbow points the way
The way to get on past the rainy day..
So when it seems like life is unfair,
Or that the worlds unkind
Just look inside yourself and you will find..

That there's a rainbow in your eyes,
There's a light you embrace
If you find your rainbow, you'll realize...
How to make the world a better place

You cannot fly, that's all my dear
Your future holds much more
Just learn to use the gifts you have and you will soar...

'Cuz there's a rainbow in your eyes,
There's a light you embrace
Find your rainbow, you'll realize...
How to make the world a better place

Elina: I thought I would never find you,
Or maybe you think that I lied.

Azura: Oh no, not what I see inside.

There's a rainbow in your eyes,
There's a light you embrace
Find your rainbow, you'll realize...
How to make the world a better place

There's a rainbow in your eyes,
(Elina: My eyes...)
There's a light you embrace
(Elina: I embrace...)
Find your rainbow, you'll realize...
(Elina: A light...)
How to make the world a better place
