Skirts that billow, sleeves that tie
Are the only things to wear at the ball
Tease your hair up three feet high
If you want to show your flair at the ball

what are those stuffy girls are wearing?
I think seaweed wraps are quite the height of style
Pineapple is naturally daring
Wear a fruit cup and a smile mmm...that's it
Something satin, throw a hat in, and a purple parasol
That's how to make an entrance at the ball

In a panic? think organic! Look at this one size fits all! Now you can be the beauty at the ball

I think you should lose the silly nest thing No way! I'm the one whose been to these things before I know orange taffeta's the best thing Yes, the best thing to ignore! Bleh!

Skirt, dress Loose, tight More, less Drab, bright No, yes Black, white Stop!

There is something good in what you're saying I know if I go I want to look my best
And you're right my choices should reflect me
But I can't be underdressed

I look nice in island blue
I can find you some of that by the wall
Vine designs all curly Q
I will sketch you all the shapes that I recall
Something pink is fun to try
You can use this as a wrap or a shawl
Sparkle like the evening sky
And with this you're guaranteed to enthrall

Perfect! well, almost there's something missing Ro please accept these, do you think they'll do? Azul your gift makes this a dream come true!

Now you'll take their breath away
We can see you'll be the jewel of them all!
Last of all, a rose bouquet
You're going to have a great time at
I'm going to have a great time at
You're going to have a great time at the
