Hidden beneath the ground
Is the spring that feeds the creek
Invisible as the wind
That you feel upon your cheek

And every breeze that whispers
Reminds us constantly
Sometimes what's real
Is something you can't see

Believe in all that can be
A miracle starts whenever you dream
Believe and sing from your heart
You'll see
Your song will hold the key

Waiting behind the clouds
Is a sky that's always clear
And chasing away the doubts
You watch the sun appear

It's shining to remind you
As each new day begins
There's always hope
If you just let it in

Believe in all that can be
A miracle starts whenever you dream
Believe and sing from your heart
You'll see
Your song will hold the key

You can paint the stars
You can touch the sky
Spread your wings
And discover you can fly
You won't know until you try

Believe in all that can be
A miracle starts whenever you dream
Believe and sing from your heart

You'll see
Your song will hold the key

Oh..oh...
Believe...
And dream what can be
Ask with your heart
And you will receive
Believe...
The beauty is yours to see
Your song will hold the key...
Haaah...
Believe...believe...
When you believe...
Believe...
