Blind-folded on this carriage ride
That they call life
Keep trying to make it
Through the next turn
Knuckle's white
Keep holding tight

So here I go
Taking the curve
But I know that
I'm never alone
i think of you
and how you never
let me go

(CHORUS)
I feel connected (connected)
Protected (protected)
it's like you're sitting right
With me all the time
You hear me (you here me)
you near me (you near me)
And everything else
is gonna be alright
Cause nothing can break this
Nothing can break this
Nothing can break this tie...
Connected
Ooh connected inside

It's not an accident
the time we spent apart
But now we're so close
I can always find you
Right here in my heart

You've given me
Something i need
And I don't ever
want it to end
Because of you

I know I've found
my strength again

Repeat (CHORUS)

Every time that I breathe
I can feel the energy
Reaching out, flowing through
You to me, and me to you
Awake or dream, walk or stair
You are everywhere I am
Separate souls unified
Touching at the speed
of the Light~
ooh light light light

I feel connected (connected)
Protected (protected)
It's like your sitting right
with me all the time
You hear me (you hear me)
You near me (you near me)
And everything else
Is gonna be alright
Connected (connected)
Protected (protected)
Now you're in my mind
Now I'm doing fine
You hear me (you here me)
You near me (you near me)
And everything else
is gonna be alright
Cause nothing can break this
Nothing can break this
Nothing can break this time...
Connected
(connected inside)
(connected) (connected inside)
connected, connected inside...
