Here on my Island * Barbie -The Island Princess

RO:Here on my Island the sea says hello
Dolphins are waving where ever I go
There's a song on the breeze
And a home in the trees
Friends I can talk with whenever I please

Azul:Here on my Island the playgrounds are great
Sagi:Slide every slide.Tika:and you don't have to wait
Ro :There's so much to be seen Tika :from our new
trampoline
ALL :Finding adventures our daily routine

Sagi:Birds and bananas
Azul:And comfy cabaÑ±a
Ro:And rose covered vases to fill
Sagi:Coconut glasses,
Tika:and mint with molasses
Azul:And pineapple patties to grill

Ro:Here on my Island there's nothing but fun
Sagi:Vines you can swing from.
Azul:and a nap in the sun
Tika:There are mud pies to make
Sagi:There are branches to shake
All:Treasures await any path that you take

Ro:I'll take the high path
Sagi:And I'll take the low path
Azul:And I'll take the path through the sky
Ro:I'll jump the river
Sagi:And I'll climb the mountain
Tika:And I'll stay here guarding the pies

All:Here on our Island the days are a dream
Hanging together we work as a team
And the magic extends from our family of friends
Here on our island our fun never ends
