I don't have a balance  
I think I'm gonna fall  
Wish I have a talent  
I don't belong here at all

Drowning in a pressure  
In above the head  
Why did I think I can do this?  
I could have walk away instead

(Refrain)  
This is my chance to break free  
Everything's depending on me  
And if  
I keep trying I'll be-

(Chorus)  
On top of the world  
Where I can see everything before me.  
Reaching up to touch the sky  
On top of the world  
All of my dreams  
Are rushed into me  
Stretching on my wings to fly  
On top of the world!  
On top of the world...

Nothing gonna break me  
Gotta get it right  
Even if it takes me  
Do it in a thousand times

Trying one is easy  
Discipline is hard  
But nothing can defeat me  
If it changes in my heart

(Repeat refrain)

(2nd Chorus)  
On top of the world  
Where I can see

Everything before me.  
Stretching on my wings to fly  
On top of the world!
