Right Here In My Arms - Melissa Lyons by Barbie

Sun goes down, and we are here together
fireflies, glow like a thousand charms
stay with me, and you can dream forever
right here in my arms tonight

It's magic, when you are here beside me
close your eyes, and let me hold you tight
everything, that I could ever need is
right here in my arms tonight

Sounds of day
fade away
stars begin to climb

Melodies
fill the breeze
sweeter all the time

My love
(Sun goes down,
and we are here together.)
Is always with you
(Fireflies glow like a thousand charms)
Whether near or far. How sweet to hold you
(stay with me
and you can dream forever)

right here in my arms tonight

-Ro and her mother
