Ro: Sun goes down and we are here together
Fireflies glow like a thousand charms

Marissa: Stay with me and you can dream forever
Right here in my arms tonight

Marissa: Sounds of day
fade away

Ro: Stars begin to climb

Both: Melodies fill the breeze
Sweeter all the time

Marissa: My love

Ro:(Sun goes down and we are here together)

Marissa: Is always with you

Ro:(Fireflies glow like a thousand charms)

Marissa: Whether near or far

How sweet to hold you

Ro:(Stay with me and you can dream forever)

Both: Right here in my arms tonight
