Some where to find a friend like you. Some how when
your around the sky is
Always blue. The way we talk, the things you say the
way you make it all okay.
And how you know all of my jokes but you laugh
anyways. If I could wish
For one thing I take the smile that you bring wherever
you go in this
World I'll come a long... Together we dream the same
dream forever I'm
Here for you, your here for me. Ohhh, two voices one
song. And any where you
Are you know I'll be around and when you call my
name, I'll listen for the sound, If I could wish for one
thing, I'll take the smile that you bring. Wherever you
Go in this world I'll come a long... Together we dream
the same dream forever I'm here for you, your here
from me. Ohhh, two voices one song. Ohhh two
Voices one song.
