You're the kind of friend who always bends when I'm  
broken

Like remember when

You took my heart and put it back together again

I've been wasting time with clueless guys

But now it's over

Let me tell you why, I'm through

I've meet someone new

Who's just like you

But you're it

You're the ultimate

It's automatic

I'm sure of it

No lie

So don't even try

To tell me that you're not the guy

'Cause I've been waiting all my life

For someone just like you

But you're it

You're the ultimate, you

You're the kind of guy who's hands and mind

Send shivers up and down my spine

You took my heart and put it back together again

You're the kind of guy that blows my mind

But now it's my turn

You've been right in front of me

Everything I need

Why didn't I see

You're it

You're the ultimate

It's automatic

I'm sure of it

No lie

So don't even try

To tell me that you're not the guy

'Cause I've been waiting all my life  
For someone just like you  
But you're it  
You're the ultimate, you

You're it  
You're the ultimate  
It's automatic  
I'm sure of it  
No lie  
So don't even try  
To tell me that you're not the guy

You're it  
You're the ultimate  
It's automatic  
I'm sure of it  
No lie  
So don't even try  
To tell me that you're not the guy

'Cause I've been waiting all my life  
For someone just like you  
But you're it  
You're the ultimate, you

You're it  
You're the ultimate, you
