Here we are
far from home
little bit hungry
and a little alone

But it's alright
yes it's alright
cause in this room
They're might be friends
can't see yet how the story ends

But it's alright
yeah it's alright
We can start a new

can't go back so we gotta go on
We'll stick together staying strong
There's a diamond castle in my mind
and someday soon we're gonna find it
We're gonna find it
we're gonna find it
we're gonna find it

Somehow things are looking up
feeling like we've changed our luck
I can see light, in a new life

Can't stay long passing through
don't know where we're going to
But it's alright, cause we just might,
find our way that's true

can't go back so we gotta go on
We'll stick together staying strong
There's a diamond castle in my mind
and someday soon we're gonna find it
We're gonna find it
we're gonna find the perfect place for us to be
and hear our Melody set free
climb a highest mountain just to see
to see...

can't go back so we gotta go on
We'll stick together staying strong
There's a diamond castle in my mind
and someday soon we're gonna find it

can't go back so we gotta go on
We'll stick together staying strong
There's a diamond castle in my mind
and someday soon we're gonna find it

We're gonna find it
we're gonna find it
we're gonna find it
We're gonna find it
we're gonna find it
we're gonna find it
someday soon
