Hidden beneath the ground,
Is the spring that feeds the creek,
Invisible as the wind,
That you feel upon your cheek.

Dream and believe in your heart,
Think of when you would see,
There are things so apart,
That there could be 'we.'

And every breeze that whispers,
Reminds us constantly,
Sometimes what's real,
Is something you can't see,

Believe in all that can be,
A miracle starts whenever you dream,
Believe and sing from your heart,
You'll see.

Nobody hates you,
And they would believe that real,
But when I get to you,
I will believe that you are real, as well.

There's dreams to be found,
Discover how it brilliantly,
Sometimes what's real,
Is something you can't see.

Believe in all that can be,
A miracle starts whenever you dream,
Believe and sing from your heart,
You'll see.

Beat the nightmares from reaching,
Live so high and get it right,
When you believe, I believe you,
And the lights will shine this darkness bright!
SHINE THIS DARKNESS bright...

Oh...

Believe in all that can be,
As soon as we fly in your dream,
Believe and sing from your heart,
And you won't die,
Believe with eyes open,
A miracle starts whenever you dream,
Believe and care for everyone,
You'll see...
YOUR SONG WILL HOLD THE KEY!

Believe in all that can be,
A miracle starts whenever you dream,
Believe and sing from your heart,
You will see.

(Repeat)
Believe in all that can be (all that can be),
A miracle starts whenever you dream (dream),
Believe and sing from your heart (sing),
You'll see (and see)...
YOUR SONG WILL HOLD THE KEY! x3

Your song will hold the key,
Sometimes what is real,
Is something...
You couldn't see...
