Where is the land I come from?  
Who lives where I was born?  
Why do my memories start with a storm?  
What if I have a family  
Somewhere beyond the sea  
Could there someone there missing me  
Tell me why I'm not sleeping  
And my heart is leaping inside me  
Could this be one of those times when you feelings  
decide

I need to know these answers  
I need to find my way  
Seize my tomorrow  
Learn my yesterday  
I need to take these chances  
Let all my feelings show  
Can't tell what's waiting  
Still I need to go  
I need to know

Why does he look through circles?  
Why does he hide his feet?  
Why do I feel shy when we meet?  
Is this the tree he sleeps in?  
What could he see from there?  
Could there be new horizons to share?  
All these questions keep turning and churning and  
burning inside me  
What are these feelings I feel when he's here by my  
side

I need to know these answers  
I need to find my way  
Seize my tomorrow  
Learn my yesterday  
I need to take these chances  
Let all my feelings show  
Can't tell what's waiting  
Still I need to go  
I need to know

Isn't she just amazing  
Daring and bold and sure  
Different from other girls that I've met before  
Do you think she might like me?  
How do I look tonight?  
I just want everything to be right  
All these questions keep turning and churning and  
burning inside me  
What are these feelings I feel when she's here by my  
side

I need to know these answers  
I need to find my way  
Seize mt tomorrow  
Learn my yesterday  
I need to take these chances  
Let all my feelings show  
Can't tell what's waiting  
Still I need to go  
I need to know
