She's ready  
She's steady

She's up on her feet  
Dancing on the water  
To her own kind of beat

She's in it  
She's on it

She's rockin' the skills  
Tearin' up the current like a girl's got gills

Pop up  
Leanin' side to side  
Laid back, hang ten  
Go for a ride

Catch that curl  
Get into the tube  
Do the mahi, mahi  
Make your tail fin move

Ref:  
She's the queen of the waves  
Check it out  
She's spinnin'  
That board around  
Queen of the waves  
No one's gonna  
Take away her crown  
Surf's up  
Bow down  
She's the queen of the waves

She's floating  
She's flying

She's out of reach  
Zooma to lagoon  
She's best on the beach

Hi-tide, low-tide  
Rip-tide too

She's in it  
She's win it for Malibu

Pop up  
Leanin' side to side  
Laid back, hang ten  
Go for a ride

Catch that curl  
Get into the tube  
Do the mahi, mahi  
Make your tail fin move

Ref:  
She's the queen of the waves  
Check it out  
She's spinnin'  
That board around  
Queen of the waves  
No one's gonna  
Take away her crown  
Surf's up  
Bow down  
She's the queen of the waves

Lemme see it now  
One foot up  
Hand in the air  
Cause a comotion  
Jump in the ocean

Ahhh!

She's the queen of the waves  
Check it out  
She's spinnin'  
That board around  
Queen of the waves  
No one's gonna  
Take away her crown

She's the queen of the waves  
Check it out  
She's spinnin'  
That board around  
Queen of the waves  
No one's gonna  
Take away her crown

Surf's up  
Bow down  
She's the queen of the waves
