April!  
May!  
June!  
July!

Summer Sunshine!  
All the guys on the beach and gettin' their tan.  
Summer Sunshine!  
O-oh! O-oh!

Summer Sunshine!  
Falling asleep with her toes in the sand.  
Summer Sunshine!  
O-oh! O-oh!

Wishin' Dreamin' Hopin' Cravin' Hatin'  
That I always gotta wait all year.  
On the daily going crazy, praying summer'll racen, but  
it's finally here!  
Ditch the books and run outside, go grab a sip and  
catch a ride into the pier.

The perfect time.  
The perfect place.  
I can't be late.

3 more days,  
2 more days,  
1 more day,  
WHOAH!

Summer Sunshine!  
All the guys on the beach and gettin' their tan.  
Summer Sunshine!  
O-oh! O-oh!

Summer Sunshine!  
Falling asleep with her toes in the sand.  
Summer Sunshine!  
O-oh! O-oh!

Get up, and don't need a day to take a walk, and talk

with everyone I see.  
Going glamorous and imma break the rules  
The plane cruises up to me. (Up to me).  
Doesn't matter what we do, I got my girls around me  
makin' memories.

It's finally real.  
I'm finally free.  
So much to see.

1 a guy,  
2 a guy,  
3 a guy,  
WHOA!

Summer Sunshine!  
I know this feeling like the back of my hand.  
Summer Sunshine!  
O-oh! O-oh!

Summer Sunshine!  
All the guys on the beach and gettin' their tan.  
Summer Sunshine!  
O-oh! O-oh!

Summer Sunshine!

Summer Sunshine!  
I know this feeling like the back of my hand.  
Summer Sunshine!  
O-oh! O-oh!

Summer Sunshine!  
I'd give anything to stay where I am.  
Summer Sunshine!  
O-oh! O-oh!

I'll still relive.  
Nothing beats this feeling.
