Constant as the stars above
Always know that you are loved
And my love shining in you
Will help you make your dreams come true
Will help your dreams come true

The lamb lies down and rests it head
On it's mother's downy bed
Dolphin plays in the moonlight's glow
And butterfly dreams of a violet rose
Dreams of a violet rose

I'll cradle you in my arms tonight
As sun embraces the moonlight
The clouds will carry us off tonight
Our dreams will run deep like the sea
Our dreams will run deep like the sea

Constant as the stars above
Always know that you are loved
And my love shining in you
Will help you make your dreams come true
Will help your dreams come true
