Erica-

If I'd like to have my breakfast hot  
Madame Carpe will make me pay,  
And I have to fetch the eggs myself  
And the barn's a mile away.  
It's cold and wet  
But still I get an omelet on my plate,  
But in my head I'm back in bed  
Snuggled up and sleeping late.

Anneliese-

If I want some eggs I ring the bell  
And the maid comes running in,  
And she serves them on a silver tray  
And she brings the cookie tin.  
And while I eat she rubs my feet  
And strolling minstrels play,  
But I'd rather be in my library  
Reading science books all day.

Erica-

I'm just like you (you are?)  
You're just like me  
There's somewhere else we'd rather be  
Somewhere that's ours  
Somewhere that dreams come true  
Yes I am a girl like you.  
You'd never think that it was so  
But now I've met you and I know,  
It's plain as day  
Sure as the sky is blue  
I am a girl like you.

First I choose a fabric from the rack And I pin the  
pattern down,  
And I stitch it in the front and back  
And it turns into a gown!

Anneliese-

I wear my gown  
Without my crown  
And dance around my room  
And imagine life without the strife

Of an unfamiliar groom.

I'm just like you (I think that's true)  
You're just like me (Yes I can see)  
Both-  
We take responsibility  
We carry through (We carry through)  
Do what we need to go.  
Yes I am a girl like you.  
I'm just like you (I'm just like you)  
You're just like me (You're just like me)  
It's something anyone can see  
A heart that beats  
A voice that speaks the truth  
Yes I am a girl like you.
