All I know of love lyrics:

Translation from words in italian between [*

Barbra:

Once I found a perfect love

And you showed me everything there was to know of
love

Time will not betray the truth

And for all the years we've shared I celebrate with you

For you..

Josh:

Un giorno t' incontrai [one day I met you

Barbra:

And me..

Josh:

Pensai, "adesso lei" [i thought, "now it is she"

Barbra:

Will be..

Josh:

D' allora insieme noi [from now on together we are

Both:

Forever

Both:

You are all I know of love

How could I ask for more

You're everything i'm dreaming of

You're all I need from love

And every star above

Spells out your name

I swear i'll always feel the same

You're all I want..

Barbra:

From love..

Josh:

All I want from love..

Josh:

Dimmi [tell me

Barbra:

Hmm..

Josh:

Che "f" per l' eternit" [it's for eternity

Barbra:

Like a memory

to live in your dreams
