All is fair in love  
Love's a crazy game  
Two people vow to stay  
In love as one, they say

But all is changed with time  
The future none can see  
The road you leave behind  
Ahead lies mystery

But all is fair in love  
I have to go away  
A writer takes his pen  
To write the words again

All in love is fair  
All of fate's a chance  
It's either good or bad  
I tossed my coin to say, to say  
In love with me you'd stay

But all in war is so cold  
You either win or lose  
When all is put away  
A losing side I'll play

But all is fair in love  
I should have never left your side  
A writer takes his pen  
To write the words again  
That all in love is fair

A writer takes his pen  
To write the words again  
That all in love is fair
