(Herman Hupfeld)

You must remember this  
A kiss is still a kiss  
A sigh is still a sigh  
The fundamental things apply  
As time goes by  
And when two lovers woo  
They still say "I love you"  
On that you can rely  
No matter what the future brings  
Time goes by

Moonlight and love songs  
Never out of date  
Hearts full of passion, jealousy and hate  
Woman needs man, and man must have his mate  
That no one can deny  
It's still the same old story  
A fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by

Moonlight and love songs  
Never out of date  
Hearts full of passion, jealousy and hate  
Woman needs man, and man must have his mate  
Oh, no one can deny  
It's still the same old story  
A fight for love and glory  
A case of do or die  
The world will always welcome lovers  
'Cause time goes by...
