Maybe I don't wanna know the reason why
But lately you don't talk to me
And baby, I can't see me in your eyes

I hold you near but you're so far away
And it's losing you I can't believe
To watch you leave and let this feelin' die

You alone are the livin' thing that keeps me alive
And tomorrow if I am here without your love
You know I can't survive
Only my love can raise you high above it all

Don't throw it all away our love, our love
Don't throw it all away our love
Don't throw it all away our love, our love
Don't throw it all away our love
Don't throw it all away our love, our love
Don't throw it all away our love
Don't throw it all away our love, our love
Don't throw it all away our love
Don't throw it all away
Don't throw it all away

We can take the darkness and make it full of light
Let your love flow back to me
How can you leave and let this feeling die?

This happy room will be a lonely place when you are
gone
And I won't even have your shoulders for the cryin' on
No other man's love could be as true, I'm beggin' you

Don't throw it all away our love, our love
Don't throw it all away our love
Don't throw it all away our love, our love
Don't throw it all away our love
Don't throw it all away our love, our love
Don't throw it all away our love
Don't throw it all away our love, our love
Don't throw it all away our love

(You alone are the living thing)
That keeps me alive
(And tomorrow if I am here without your love)
You know I can't survive
(Only my love)
Can raise you high above it all

(So high above it all, so high above it all)
Don't throw it all away our love our love
Don't throw it all away our love
Don't throw it all away our love our love
Don't throw it all away our love
Don't throw it all away, don't throw it all away
Don't throw it all away
La la la
