Maybe I don't wanna know the reason why
But lately you don't talk to me
And darlin' I can't see me in your eyes

I hold you near but you're so far away
And it's losing you, I can't believe
To watch you leave and let this feeling die

You alone are the living thing that keeps me alive
And tomorrow if I'm here without your love, you know, I
can't survive
Only my love can raise you high above it all

Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, our love

We can take the darkness and make it full of light
But let your love flow back to me
How can you leave and let this feeling die

This happy room would be a lonely place when you are
gone
And I won't even have your shoulders for the crying on
No other woman's love, could be as true, I'm begging
you

Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, our love

We changed the world, we made it ours to hold
But dreams are made for those who really try
This losing you is real but I still feel you here inside

Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, away

Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away, away

Don't throw it all away, our love, our love
Don't throw it all away, our love
Don't throw it all away, our love, our love
Don't throw it all away
