Everybody says don'tEverybody says  
don'tEverybody says don't it isn't rightDon't is  
isn't niceEverybody says don'tEverybody says  
don'tEverybody says don't walk on the grassDon't  
disturb the peaceDon't skate on the iceWell I say do, I  
say,Walk on the grass it was meant to feelI say sail till  
to the windmillAnd if you fail you fail!Everybody says  
don'tEverybody says don'tEverybody says don't  
get out of lineWhen they say that then lady that's a  
signNo times out of tenLady you are doing just  
fine.Make just a ripple come on be braveThis time a  
ripple next time a waveSometimes you have to start  
small,Climbing the tiniest wallMaybe you're going to  
fallBut it is better than not starting at all.Everybody  
says no stopMusn't rock the boat musn't touch a  
thingEverybody says don'tEverybody says  
waitEverybody says can't fight city-hallCan't upset  
the courtCan't laugh at the king!Well I say try,I  
say,Laugh at the king or he'll make you cryLoose your  
poiseFall if you have to but lady make a  
noise...Yes!Everybody says don'tEverybody says  
can'tEverybody says wait around for miraclesThat's  
the way the world is madeI insist on miracles if you do  
them,Miracles might come true,Then I say  
don't...Don't be afraid!
