Barbra:

Shadows falling , baby , we stand alone
Out on the street anybody you meet got a heartache of
their own
(it oughta be illegal)
Make it a crime to be lonely or sad
(it oughta be illegal)
You got a reason for livin
You battle on with the love you're livin on
You gotta be mine
We take it away
Its gotta be night and say
Just a matter of time
And we got nothing to be guilty of
Our love will climb any mountain near or far , we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
I don't wanna hear your goodbye
Oh!

Barry:

Aaah!
Pulses racing , darling
How grand we are
Little by little we meet in the middle
There's danger in the dark
(it oughta be illegal)
Make it a crime to be out in the cold
(it oughta be illegal)
You got a reason for livin
You battle on with the love you're buildin on

Both:

You gotta be mine
We take it away
Its gotta be night and day
Just a matter of time
And we got nothing to be guilty of
Our love will climb and mountain near or far , we are
And we never let it end
We are devotion

And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Barbra:
I don't wanna hear your goodbye

Barry:
Don't wanna hear your goodbye

Both
I don't wanna hear your
And we got nothing to be guilty of
Our love will climb and mountain near or far , we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye
Don't wanna hear your
And we got nothing to be guilty of...
