"Have Yourself A Merry Little Christmas"

Visit "[Have Yourself A Merry Little Christmas](#)" on MotoLyrics.com

Christmas' future is far away
Christmas' past is passed
Christmas' present is here today
Bringing joy that will last

Have yourself a merry little Christmas
Let your hearts be light
From now on our troubles
Will be out of sight

Have yourself a merry little Christmas
Make the yule time gay
From now on our troubles
Will be miles away

Here we are as in olden days
Happy golden days of young
Faithful friends who are dear to us
Gather near to us once more

Through the years we all will be together
If the fates allow
Hang a shining star upon the highest bow
And have yourself a merry little Christmas now
