He touched me, he put his hand near mine  
And then he touched me  
I felt a sudden tingle when he touched me  
A sparkle, a glow

He knew it, it wasn't accidental  
No, he knew it  
He smiled and seem to tell me so all through it  
He knew it, I know

He's real, and the world is alive and shining  
I feel such a wonderful drive t'wards valentining

He touched me, I simply have to face the fact  
He touched me  
Control myself and try to act  
As if I remember my name

But he touched me, he touched me  
And suddenly nothing is the same  
'Cause he touched me, he touched me  
And suddenly nothing, nothing, nothing is the same
