Maybe I should have saved
Those leftover dreams
Funny but here's that rainy day

Here's that rainy day they told me about
And I laughed at the thought
That it might turn out this way

Where is that worn out wish
That I threw aside?
After it brought my love so near

Funny how love becomes
A cold rainy day
Funny that rainy day is here

Where is that worn out wish
That I threw aside?
After it brought my love so near

Funny how love becomes
A cold rainy day
It's funny that rainy day is here
