No complaints and no regrets
I still believe in chasing dreams and placing bets
For I have learn that all you give is all you get
So give it all you've got

I had my share, I drank my fill
And even though I'm satisfied, I'm hungry still
To see what's down another road, beyond the hill
And do it all again

So here's to life and all the joy it brings
Yes, here's to life and dreamers and their dreams

Funny, funny how the time just flies
How love can go from warm hello's to sad goodbyes
And leave you with the memories you memorize
To keep your winters warm

But there's no yes in yesterday
And who knows what tomorrow brings or takes away
As long as I'm still in the game I wanna play
For laughs, for life, for love

So here's to life and all the joy it brings
Yes, here's to life and dreamers and their dreams

May all your storms be weathered
And all that's good get better
Here's to life, here's to love, here's to you

May all your storms be weathered
And all that's good get better
Here's to life, here's to love, here's to you
