(Feeling love is feeling good, I believe in love)

Yeah

(Feeling love is feeling good, I believe in love)

Yeah

Feeling love, that's all

That's enough for me

Yet I see, I see faces

Covered up and empty eyed

Empty spaces

Where there used to be a soul inside

Nothing and no one ever gets to you

Seems the wind could blow right through you

Believin' in Gods that never knew you

I believe in love

I believe in love

I believe in feelin' good

And that's feelin' love

Now worry

Climbin' up your money tree

You've got to hurry

Monkey do and monkey see

You're on a one-way street and you're speeding

Missin' the signs you ought to be readin'

Passin' things you'll later be needin'

I believe in love, what

I believe it nobody sold me

Always knew it, nobody told me

I believe in someone to hold me

I believe in love

I believe in love, I do

Yes, I believe in feelin' good

And that's feelin' love, yeah

(Feeling love is feeling good)

Feeling love, that's all  
That's enough for me  
I won't be, don't wanna be lonely

Sleeping in an empty bed  
Shouldn't be only  
A place to rest my head

But I don't want to find myself one day  
Waking up and looking at Monday  
With some what's his name left from Sunday  
I believe in love, what?

I believe it nobody sold me  
Always knew it, nobody told me  
I believe in someone to hold me  
I believe in love

I believe in love  
I believe in feelin' good  
Now everybody should  
They believe in feelin' good  
Believin' in, believin' in love, love
