Fanny & chorus
Feeling awfully bad
What a time I had
Cause I didn't buttoned up my overcoat
Hatsjoe
All I do is sniff
Pass that handkerchief
What a funny feeling in my eyes and ears and throat
Oy, I can't sleep I can't eat
Get a pail and soak my feet
I got a code in my doze
O, I got a code in my doze
Please repeat what you said
Funny noises in my head

I got a code in my doze
Oh, I got a code in my doze
Went to see the doctor
Asked him what to do
Lordy help that doctor
He said I think I got one too
So we laid down side by side
I'm still here but the doctor died
I got a code in my doze
Oh, I got a code in my doze
Hatsjoe
