We kiss in a shadow  
We hide from the moon  
Our meetings are few  
And over too soon

I have dreamed  
That your arms  
Are lovely...  
I have dreamed  
What a joy  
YouÃ\$Â£Â¼I be...  
I have dreamed  
Every word you whisper  
(We speak in a whisper)  
When youÃ\$Â£?e close to me  
Close to me

Afraid to be heard  
Alone in our secret  
Together we sigh  
For one smiling day  
To be free...

How you look  
In the glow of evening  
(To kiss in the sunlight)  
I have dreamed  
And enjoyed the view  
(And say to the sky... )

In these dreams  
IÃ\$Â£?e loved you so  
That by now I think I know  
What itÃ\$Â£? like to be loved by you  
(Behold and believe)  
I will love  
Being loved by you

He will not always say  
What you would have him say  
But now and then heÃ\$Â£Â¼I say  
Something wonderful

The thoughtless things he does  
Will hurt and worry you  
Then all at once, he does  
Something wonderful

He has a thousand dreams  
That won't come true  
You know that he believes in them  
And that's enough for you

You always go along  
Defend him when he's wrong  
And tell him when he's strong  
He is wonderful.

He always needs your love  
And so he gets your love  
A man who needs your love  
Can be wonderful!

I Know Him So Well  
Barbra Streisand

Nothing is so good it lasts eternally  
Perfect situations must go wrong  
But this has never yet prevented me  
Wanting far too much for far too long.  
Looking back I could have played it differently  
One of few more moments who can tell  
But it took time to understand the man  
Now at least I know I know him well.

Wasn't it good? Oh so good  
Wasn't he fine? Oh so fine  
Isn't it madness he can't be mine?  
But in the end he needs  
A little bit more than me

More She needs security  
He needs his fantasy and freedom  
I know him so well.

No one in your life is with you constantly  
No one is completely on your side  
And though I move my world to be with him  
Still the gap between us is too wide.

Looking back I could have played it differently

Could have played things some other way.  
Learn about the man before I fell  
I was just a little careless  
But I was ever so much younger then.  
I was so much younger then  
Now at least I know I know him well  
Wasn't it good? Oh so good  
Wasn't he fine? Oh so fine  
Isn't it madness he won't be mine?  
Didn't I know how it would go?  
If I knew from the start  
Why am I falling apart?  
Wasn't he fine? Isn't it madness  
He won't be mine?  
But in the end he needs a little bit more than me  
More She needs security  
He needs his Fantasy and freedom  
I know him so well  
It took time to understand me  
I know him so well.

As If We Never Said Goodbye

Barbra Streisand

Written by: Andrew Lloyd Webber, Don Black,  
Christopher Hampton

I don't know why I'm frightened  
I know my way around here  
The cardboard trees, the painted scenes, the sound  
here  
Yes a world to rediscover,  
But I'm not in any hurry  
And I need a moment  
The whispered conversations in overcrowded hallways,  
The atmosphere as thrilling here as always  
Feel the early morning madness  
Feel the magic in the making  
Why everything's as if we never said goodbye

I've spent so many mornings  
Just trying to resist you  
I'm trembling now  
You can't know how I've missed you,  
Missed the fairy-tail adventures  
In this ever-spinning playground  
We were young together  
I'm coming out of make-up  
The lights already burning,  
Not long until the camera will start turning  
And the early morning madness

And the magic in the making  
Yes everything is as if we never said goodbye

I don't want to be alone that's all in the past,  
This world has waited long enough  
I've come home at last  
And this time will be bigger,  
And brighter than we knew it  
So watch me fly, we all know I can do it  
Could I stop my hand from shaking?  
Has there ever been a moment with so much to live  
for?  
The whispered conversations in overcrowded hallways  
So much to say not just today but always  
We've got early morning madness  
We've got magic in the making  
Yes everything is as if we never said goodbye  
Oh, please don't ever ever make me say  
goodbye!!!
