I have dreams for you and me
And wishes that will last and live beyond eternity
Summer's gone, winter's on
Can we weather everything our eyes have yet to see?

As the years go by I promise you that I

I will be the one to run to when the nights are long
I'll be there when winds begin to blow
Even when it seems that everything is going wrong
This I swear, I won't be the one to let go
(I swear)

Life gets tough, roads get rough
Who knows what awaits us 'round the bend
Count on me, faithfully
Though everything we have could never end
It could never end

And through rain or shine and every cloudy sky

I will be the one to run to when the nights are long
I'll be there when winds begin to blow
Even when it seems that everything is going wrong
This I swear, I won't be the one to let go
(This I swear)

I'll be there, anytime you need me
(I'll be there)
You'll know where I am
(You'll know just where I am)

And everywhere
(Everywhere)
Anytime you're lost just turn around
(Just turn around)
And take my hand

And I will be your light in the night and I promise that
Even when it seems that everything is going wrong
This I swear, I won't be the one to let go

(This I swear)

To let go, this I swear

(I swear)

I won't be the one to let go, to let go
