If you go away  
On this summer's day  
Then you might as well  
Take the sun away

All the birds that flew  
In the summer sky  
When our love was new  
And our hearts were high

And the day was young  
And the night was long  
And the moon stood still  
For the night bird's song

If you go away  
If you go away  
If you go away

But if you stay  
I'll make you a day  
Like no day has been  
Or will be again

We'll sail on the sun  
We'll ride on the rain  
We'll talk to the trees  
And worship the wind

Then if you go  
I'll understand  
Leave me just enough love  
To hold in my hand

If you go away  
If you go away  
If you go away

Ne me quitte pas  
Il faut oublier  
Tout peut s'oublier  
Qui s'enfuit d'Ã©jÃ

Oublier le temps  
Des malentendus  
Et le temps perdu  
A savoir comment

Oublier ces heures  
Qui tuaient parfois  
A coups de pourquoi  
Le coeur du bonheur

Ne me quitte pas  
Ne me quitte pas  
Ne me quitte pas

But if you stay  
I'll make you a night  
Like no night has been  
Or will be again

I'll sail on your smile  
I'll ride on your touch  
I'll talk to your eyes  
That I love so much

Then if you go  
I'll understand  
Leave me just enough  
To hold in my hand

If you go away  
If you go away  
If you go away

If you go away  
As I know you must  
There'll be nothing left  
In this world to trust

Just an empty room  
Full of empty space  
Like the empty look  
I see on your face

Oh, I would have been  
The shadow of your shadow  
If it might have kept me  
By my side

If you go away  
If you go away

Please don't go away
