Cornelius:

It only takes a moment  
For your eyes to meet and then  
Your heart knows in a moment  
You will never be alone again  
I held her for an instant  
But my arms felt sure and strong  
It only takes a moment  
To be loved a whole life long...

Clerk:

I missed a few words back there, mr. hackl.  
Right after 'it only'...

All in docket:

...takes a moment!  
But his arms felt sure and strong  
It only takes a moment

Mrs. molloy:

He held me for an instant  
But his arms felt safe and strong  
It only takes a moment  
To be loved a whole life long

Cornelius:

And that is all  
That love's about

Mrs. molloy:

And we'll recall when time runs out

Both:

That it only took a moment  
To be loved a whole life long!
