Say it's only a paper moon, sailing over a cardboard
sea

But it wouldn't be make believe if you believed in me

Yes it's only a canvas sky hanging over a muslin tree
But it wouldn't be make believe if you believed in me

With out your love
It's a honky tank parade

With out your love
It's a melody played in a penny arcade

It's a Barnum and Bailey world
Just as phony as it can be
But it wouldn't be make believe if you believed in me

I like her I think she's funny,
And we've a mutual interest deep down
inside.....money.
I like her although it's true
She's the type you better get busy and do unto first
Before I find she's done unto me.
I certain there's a Fanny you seldom get to
see...whoever that is maybe she'll like me!

But it wouldn't be make belief if you belief in me
I like her
