I've never been in love before  
Now all at once it's you  
It's you forever more

I've never been in love before  
I thought my heart was safe  
I thought I knew the score

But this is wine  
That's all too strange and strong  
I'm full of foolish song  
And out my song must pour

So please forgive this helpless haze I'm in  
I've really never been in love before

So this is wine  
That's all too strange and strong  
I'm full of foolish song  
And out my song must pour

So please forgive this helpless haze I'm in  
I've never really been in love before
