Call on dolly  
If your neighbour needs a new romance  
Just name that kind of man your sister wants  
And she'll snatch them up  
Don't forget to bring your maiden aunts and  
She'll match 'em up  
Call on  
Missus dolly  
She's the one the spinsters recomend  
She even find a lovely bride

Call on dolly

I have always been a woman who arranges things  
For the pleasure--and the profit--it derives  
I have always been a woman who arranges things  
Like furniture and daffodils and lives

If you want your sister courted, brother wed, or cheese  
imported  
Just leave everything to me  
If you want your roof inspected, eyebrows tweezed, or  
bills collected  
Just leave everything to me  
If you want your daughter dated, or some marriage  
consummated  
For a rather modest fee  
If you want a husband spotted, boyfriend traced, or  
chicken potted  
I'll arrange for making all arrangements  
Just leave everything to me

If you want your ego bolstered, muscles toned, or chair  
upholstered  
Just leave everything to me  
Charming social introductions, expert mandolin  
instructions  
Just leave everything to me  
If you want your culture rounded, french improved, or  
torso pounded  
With a ten year guarantee  
If you want a birth recorded, collies bred, or kittens

ported  
I'll proceed to plan the whole procedure  
Just leave everything to me

If you want a law abolished, jury swayed, or toenails  
polished  
Just leave everything to me  
If you want your liver tested, glasses made, cash  
invested  
Just leave everything to me  
If you want your children coddled, corsets pulled, or  
furs remodeled  
Or some nice, fresh fricassee  
If you want your bustle shifted, wedding planned, or  
bosom lifted--  
Don't be ashamed girls  
Life is full of secrets, and I keep 'em

I'll discretely use my own discretion  
I'll arrange for making all arrangements  
I'll proceed to plan the whole procedure  
Just leave everything to me
