Well I'll be damned  
No I won't be damned  
Because I have been damned  
And I won't be damned anymore!  
I walked out  
He didn't walk out  
It was me who walked out  
It was me closing the door

"hello, operator? " I'd like to place a long distance call  
to a mr.  
Billy rose in cleveland ohio. at the cleveland hotel. um,  
no, no, no,  
No. I'll wait."

Billy's an alley cat that's for sure  
Nick's from a horsier class  
But I'd rather be with a cat's meow  
Than a genuine thouroughbred horse's ass!

"um, that's alright. no. no message. thank you."

One is fantasy, one is real  
One is make believe, one is real  
One is picture book,  
More like comic book  
One is real  
Billy is real  
I should have seen that before

All my life on the stage  
I'm a big success  
All my life off the stage  
What a mess!  
Oh what a mess!  
All my life on the stage  
How they cheer the clown  
All my life off the stage  
I kept closing out of town

When I'm up there I'm a great big star  
And I get the heftiest lift

Howdy-do!  
Up there I'm a great big star  
A solid and qualified hit  
I'm gonna take what I do up there  
And I'm gonna do it down here!

Quick as a lightning flash  
I'm moving straight ahead  
I'm gonna be a smash  
I'm gonna knock 'em dead.....
